"Dancing"

Det verdslige år kan inndeles i 4 "tider" fra forår til vinter.

På samme måde kan kirkeåret beskrives i 8 "tider":

advent - jul - hellig tre konger - faste - passion - påske - pinse og trinitatis.

Disse "kirkeårstider" med deres forskelligartede grundstemninger er gennem orgelværket "Dancing" søgt musikalsk tolket ved de 8 danser, der alle er bundet sammen ved fastholdelse af én og samme skala i alle satser: tonerne c-des-es-f-g-a-h.

Også taktarten: 8-ottendedede i alle dansene er flygtigt set den samme.

Men i et spil med underdelinger i 2er- 3er- og 4ergrupper og gennem et modspil mellem grupperne opstår der en række forskelligartede rytmiske kombinationer dannende strukturer, der hver for sig skaber grundlag for opbygningen af det stemningsmæssige indhold i de enkelte stykker.

Med orglet som klangskaber danser det samlede værk sig således gennem kirkeårstiderne fra advent til trinitatis.
